

You can **do more** with Aegis Therapies®

WellConnected by Aegis Therapies provides services that seamlessly integrate care settings across your campus, designed to support the independent lifestyle of your residents and grow your business.

The WellConnected Advantage

Increase Occupancy

- **Community Assessment:** Identifies opportunities to ensure the best experience for all of your residents, no matter their setting.
- **Aegis Market Mover:** powerful, proprietary program which focuses on three key areas to assist with developing a strategy for success – Opportunity Analysis, Planning and Implementation and Market Positioning.

Manage Risk

- **Move-In Assessment:** Helps ensure your residents are in the appropriate level of care and that they can remain in place longer through safety checks and program identification.
- **Care Transition Team:** Curated team of Aegis and community staff responsible for breaking down communication silos between care settings.

Impact Length of Stay

- **Transition Notebook:** Care Pathways and clinical protocols designed to maintain smooth transitions between any setting.
- **Comprehensive Services and Programs:** Wellness, therapy home health, outpatient and restorative services available from a single provider which improves efficiency and reduces the risk of rehospitalization.
