Course Information continued

Cancellations: All cancellations must be confirmed in writing a minimum of 1 week prior to the event date to be eligible for a full refund, less a \$25 cancellation processing fee. A cancellation made less than 1 week before the conference start date is not eligible for a refund, but can be transferred to another employee of the organization. Participant(s) who do not cancel in writing will be considered as “no shows” and will not be eligible for refunds/credits. In the event NARA shall need to cancel a conference, a full refund will be made to the registrant. In the event NARA should need to replace a session speaker, no refunds will be made; however, a suitable speaker will replace the previous speaker. NARA is not responsible for travel, hotel, or other attendee expenses in the event of a cancellation.

Webinar Description

As skilled nursing facilities prepare for the October 1, 2019 transition from the current Prospective Payment System (PPS) to the new Patient-Driven Payment Model (PDPM), it is important that providers and practitioners understand the importance of accurate ICD-10 coding. This session will provide clarification to some of the ICD-10 coding misunderstandings as well as best practices for ICD-10 coding to prepare for the transition.

Course Objectives

Attendees of this webinar will:

- Explain how to select accurate ICD-10 codes
- Apply systems for communication and reviewing ICD-10 codes
- Identify the ICD-10 codes included in the NTA component
- Identify the ICD-10 codes included in the ST component
- Identify the ICD-10 codes included in the PT component
- Identify the ICD-10 codes included in the OT component

Webinar Outline/Timed Agenda

- Review of the Course Objectives and Discuss the importance of accurate ICD-10 coding (2:00pm – 2:05pm)
- Need to have solid systems in place to ensure accuracy of coding (2:05pm – 2:15pm)
 - Discuss best practices for reviewing referrals
 - Discuss best practices for IDT communication and review of ICD-10 codes for accuracy
- Discuss misunderstandings and provide clarification to ICD-10 coding for the NTA component (2:15 – 2:25pm)
 - Review of CMS PDPM Resources
 - Review of CMS PDPM Fact Sheets
- Discuss misunderstandings and provide clarification to ICD-10 coding for the ST component (2:25 – 2:35pm)
 - Review of CMS PDPM Resources
 - Review of CMS PDPM Fact Sheets
- Discuss misunderstandings and provide clarification to ICD-10 coding for the OT component (2:35 – 2:45pm)
 - Review of CMS PDPM Resources
 - Review of CMS PDPM Fact Sheets
- Discuss misunderstandings and provide clarification to ICD-10 coding for the PT component (2:45 – 2:55pm)
 - Review of CMS PDPM Resources
 - Review of CMS PDPM Fact Sheets
- Questions & Answers (2:55 – 3:00pm)
